Over 75 Kiwanians, Grayling High basketball players, their coaches and managers and other guests attended a banquet at the Grayling Masonic Hall Monday evening in honor of the Viking cagers.

The banquet was the regular weekly meeting of the Kiwanis Club of Grayling with the varsity and reserve basketball squads attending as guests. The dinner was served by members of the Order of Eastern Stars.

Kiwanis Club President Bill Joseph opened the meeting following dinner and introduced all the club members present and adult guests. He then called on Coach Bruce Smith to introduce the members of the varsity squad while Coach Arthur Allen introduced the members of the reserve squad.

President Joseph then called upon Dr. C. G. Clippert who gave a short talk on President George Washington on whose birthday the dinner was held. Former Viking Coach Willard Cornell also spoke briefly. Coach Bruce Smith who was in charge of the program then introduced the speaker of the evening, Coach Danny Rose of Central Michigan College, Mount Pleasant.

Coach Rose spoke on the place of athletics in education and decried the recent attacks aimed at the athletic programs of high schools and colleges. He said that there is nothing wrong with the athletic program in the United States except in spots where the administration of the program has slipped. He noted that in the recent troubles in high school athletic contests in Detroit that it was not the athletes who started the troubles but those who were attending.

He told the group that an athletic background gave a boy a type of education which he could not receive in any other manner, an education with which he could face life more surely. He talked earnestly to the attending Viking basketballers on the importance of training, team play, respect of an opponent and school spirit.

Coach Rose followed his talk with a full length movie of the Central Michigan-Northern Illinois basketball game which the Chippewas won handily. Coach Rose gave a running commentary on the film.

## Red Cross Launches Drive; County Quota \$1,443.00

Mrs. C. G. Clippert  
Is Drive Chairman

The campaign for both Red Cross members and funds is to begin March 1st in Crawford County. The county quota this year is only a little over 25 cents per person. \$1,443.00.

At a meeting called by campaign chairman, Mrs. C. G. Clippert at the Legion Hall Monday evening, campaign workers heard a very interesting talk by Miss Ammon Hood, Red Cross representative. She gave the group a better understanding of Red Cross and explained some of the criticisms directed to the organization.

One of the most frequent complaints heard is from servicemen saying "Red Cross didn't get me an emergency furlough." This is true. Leaves are entirely controlled by the military. Red Cross can only provide verified information about home conditions that might require the presence of service men in question. They submit a report without any recommendation. The final decision is made by the military.

Red Cross has and does make mistakes. It is a large organization, made up of people who are human and can err, but the organization works long and hard so that these errors will not be repeated.

Other facts pointed out by Miss Hood were: There are 99 volunteer workers for every paid Red Cross worker.

## BEAR INDIES WIN OVER GAYLORD FIVE

With Dick Miller and Jim Rutledge both hitting for 15 points, the Bear Archery Independents rolled to an easy 59 to 39 victory over Mary's Tavern of Gaylord in a basketball game at the Grayling gym last Saturday night.

In a preliminary contest, the Grayling High freshmen squad scored an easy victory over the eighth grade team.

This Saturday night finds the Traverse City State Hospital team invading the local gym to meet the Bear squad. The two teams met earlier this season at Traverse with the Hospital squad squeezing out a one point victory in the final seconds. The Bear team is planning on winning this one to even up the home and home contest. A preliminary game is planned with the hopes of staging a girl's game.

Cross worker; Red Cross spent more than \$500,000 dollars on the Flint tornado last year; 70 cents of every disaster dollar goes for rehabilitation; the four major tornadoes in the United States last year cost the Red Cross between 3 and 4 million dollars, not including flood, explosion, fires, etc.

Red Cross is an international organization based on the standard of helping others. It is a bridge over which service passes from one who can give to one who is in need. Red Cross is the link between destruction and normal living.

It is the hope of Red Cross to make every American feel that through his membership he participates in Red Cross service just as surely as if he had extended a helping hand to persons in need himself.

Answer the call — Join and Serve.

Refreshments were served following the meeting by Mrs. Lawrence Balch, Mrs. Charles Tinker and Mrs. Milo Case, Legion Auxiliary members.

## Open House For Inspection Of Richard Hayes Memorial

On Sunday, February 28th, from 2:00 until 4:00 P. M., all who contributed to the Richard Hayes Memorial Fund last summer, and anyone else who may be interested, are invited to inspect the Memorial items purchased with the fund.

The first Memorial Gift is a group of Statues, which, as a Shrine, is known as the Fatima Shrine. This Shrine is located in the First Grade classroom of St. Mary's School. It is situated there because Richard was in the first grade when he had to discontinue school.

The second Gift is the Stained Glass Window picturing the head of Mary. It is located above the main entrance to the Church.

Richard Hayes was the son of Dr. and Mrs. Louis F. Hayes, M. D. He died last summer. His death was the occasion for the many relatives and friends to contribute to the Memorial Fund.

It is planned to have lights installed in the Memorial Window so that it can be lighted every night of this year that is known as the Marian Year.

### George N. Olson Laid To Rest

Word received here last Thursday of the sudden death of George N. Olson at his winter home in Ft. Lauderdale, Florida, came as a great shock to his family and friends. A heart ailment, from which he had suffered for some time, was the cause of his death. He had been in Ft. Lauderdale since last November, where last year he had purchased a home. Even as news of his passing arrived here letters arrived to friends in Grayling from him telling of his plans for the home.

Services were held at the Fannin Funeral Home in Ft. Lauderdale, on Saturday, February 20th, at 3:30 P. M. with Rev. Samuel C. W. Fleming officiating, after which the remains were returned to Grayling.

Rites were to be read here on Wednesday afternoon, February 24th at two o'clock with the Rev. John Enselmann and Rev. R. C. Puffer officiating. Mrs. C. G. Clippert was to preside at the organ. Interment was to be in Elmwood Cemetery under the auspices of Grayling Lodge E. & A. M., No. 356, of which he was a past master. Wilhelm Raas, John Bruus, A. J. Joseph, T. P. Peterson, Dr. J. F. Cook and Melvin Nielson were to serve as pallbearers.

Mr. Olson was born in Grayling to Mr. and Mrs. Peter Olson on November 15th, 1892. He was a life long resident here where he married Leelah Clark in 1915.

In the theater business for the past 37 years, he and his brother, James of Clare, were co-owners of a chain of motion picture houses at Gaylord, Clare, Houghton-Lake and West Branch, while he was the sole owner of the Rialto Theater here since its founding.

A pioneer in the movie industry, he was honored seven years ago in a ceremony at Detroit when he was presented with an award for his thirty years in the theater business. The award was made by the then Governor Kim Siler. He took great pride in his work and made every effort to keep abreast of the times by installation of modern equipment as it became available and only recently had made arrangements for the installation of cinemascope in the local theater. The theater in Grayling was completely rebuilt in 1930 when the original structure was destroyed by fire. He was a member of the Varsity Club of Detroit during his entire time in the theater business.

He had served as mayor of the City of Grayling, was stockholder of the Grayling State Savings Bank and had served on its Board of Directors. An avid backer of the Grayling Golf Club, he had much to do with its betterment and was also a member of the Ft. Lauderdale Club.

As well as being a member of the Grayling Masonic Lodge No. 4 also belonged to the Bay City Consistory and Saginaw Shrine. He had been active in all community affairs until he became ill.

He was also a member of Grayling Lutheran Church where many friends have started a memorial in his memory.

Surviving are his widow, who was spending the winter in Florida with him; his daughter, Mrs. Georgianna Stancil, of Grayling his mother, Mrs. Marie Olson of Grayling; two sisters, Mrs. Harle (Ruby) McNeven of Grayling, and Mrs. Anna Schlotz of Grayling three brothers, James of Clare, Alfred of Detroit, and Esbern of Grayling; and four grandchildren.

### Meet Mio And Gaylord As Finals

The Grayling High Vikings will take the floor at home on Tuesday night against Gaylord and Friday night against Mio seeking to finish the first undefeated basketball season in the past twenty years.

The third rated Class C team in the State of Michigan, the Vikings, were given top heavy odds to windup the 1953-54 season Friday night without having tasted defeat. Drawings for the District Tournament in which Grayling, Manicouan, East Jordan and Gaylord will take part are being made this week and the Vikings will get into their first tourney play of the season against one of the other three teams on Thursday night March 4th at the Gaylord Gym. The District final in Class C will be played Saturday night with the winners of the two Thursday night games meeting for the District crown. The winner of the District will move into Potoskey for Regional play the following week.

Last Friday night, the Vikings met the Gladiators of Traverse City St. Francis at the local gym in the season's fifteenth game. Grayling had beaten the Traverse five at Traverse earlier in the season by a 54 to 50 score but really poured it on the visitors Friday to the tune of 80 to 56.

The first quarter was a nip and tuck affair with Grayling finally emerging with a 18 to 14 lead as Marv Bielski hit for 8 points with Larry Pond adding 6. In the second quarter, Bielski poured in 9 points with Dale Pettengill adding 6 as the Vikings edged into a 37 to 28 halftime lead. In the third period, the Vikings scored 22 points to the Gladiators 17 with Pond getting 9 points, Bielski 5, Pettengill 4 and Dave Owen and Allen Lucksted a field goal each.

In the final period, the Gladiators weakened by the loss of three men by the personal foul route, managed to score only 11 points as the Vikings laid in 21 points with Bielski getting 10, and Pond 7. Owen left the game in the final period for Grayling due to 5 personal fouls and was replaced by Monte Malonen. Richard "Red" Hamilton, regular Viking center was sidelined for the whole game with a badly sprained ankle.

Bielski with 10 field goals and 12 free throws for 37 points led the Vikings with Pond getting 24 points, Pettengill 12, Lucksted 8, Owen 4 and Malonen 2. Tom Saunders with 14 and Skeets Braumers with 12 and Jerry Wolff with 11 led the Gladiators from Traverse City.

The little Vikings almost keeping stride with their varsity older brothers, turned in their thirteenth victory in fifteen starts Friday night by edging the little Gladiators by a 28 to 22 score, as 14 boys saw action. The first period of play ended in a 5 all tie with the Vikings striking hard in the second quarter to take a 15 to 6 halftime lead. In the final two periods the little Vikings scored 5 and 5 points respectively while the visitors hit for 9 and 7 points. Gary Worden with 9 was high point man for Grayling with Lawrence Canfield getting 4. The little Gladiators were led by Bob Harvey with six points.

## FISHERMAN'S WORLD DOTH CHANGE!

How would you like to live in a state where you could throw away the rule book, and go fishing for just about any fish you please just about any time you please? It's coming closer and closer according to a recently released summary of changes in fishing regulations now in effect in all of our 48 states.

Nearly every state now has some year-round fishing. Twenty-three states now allow the taking of bass in the entire year. Thirty-seven open a season on pan fish for 12 months annually, but only three states still permit year-round trout fishing although 40 others have long open seasons on this species.

## Tackle Changes, Too

And everywhere the change toward lighter tackle is in evidence. More spinning outfits are finding their way into more homes - not just for the man of the house, but for the former anglers "widows" who used to stay home while hubby had for the fun. Spin-fishing is easy to learn. The ladies are good customers - and good fishermen, too.

## More Water Available

In the south many states have

## New Attitude

But, implies this report, the most important change noted is in the attitude of the fishermen. Many of them are now realizing that the number of fish on the stringer or in the creel is of secondary importance. If the fishing trip was "an adventure in pleasant relaxation," regardless of the amount of tangible evidence - it's called a big success.

Maybe the ladies have a lot to do with this. When the men were fishing alone there may have been a subconscious feeling that they HAD to bring home a big catch to justify their long absence! With "mamma" along the pressure's off! And this is all for the best! Sportsmen everywhere will readily admit they're not out for the kill. They're out for the "fun of it," and where can you find more wholesome, healthful fun than in the pursuit of a hobby like hunting or fishing?

Try it more often this year in Michigan Outdoors!

The 1954 Miss Michigan Winter Queen, Phyllis Goss of Grayling appeared on the Barbara Ann Scott Ice Revue at Olympia Stadium in Detroit last Wednesday evening. 17-year-old Phyllis Goss, Miss Grayling of 1954 and selected Michigan Snow Queen of 1954 at the Grayling Winter Sports Carnival got the thrill of her young life last week when she appeared on the Barbara Ann Scott Ice Revue at Olympia Stadium in Detroit. She met and talked with Barbara Ann, a famous former Olympic skating star and now a headline show star and with Jacqueline du Bief, France's skating queen and the most talked about ice revue star of the year.

Besides appearing at the Olympia, Queen Phyllis appeared on Helen Ryan's program, "For You" over WKNX-TV, Saginaw on her way to Detroit and following her appearance at Olympia was interviewed by writers from the Detroit Free Press, Times and News and then by Al Nagler over WJB K-TV in Detroit.

The large cost of putting the skating rink and toboggan slides back into shape at this late stage of the winter was too much of a gamble, he said. The ski tow will operate this weekend, however.

Eddie Chase, popular Detroit radio personality who was responsible for making many of the television and radio appearances of Queen Phyllis possible was a visitor in Grayling last weekend. He was the guest of Cason's Tri-angle Motel and was taken hunting and entertained by President Cason, Harold MacNeven, Henry Schmidt and Grant Thompson. Chase was to spend this coming weekend here but a change of plans in Detroit brought him to Grayling a week early.

## Miscellany

It appears to us as though a real "dog fight" was shaping up as Gaylord radio station WATC airs as "broadcasting from the top of Michigan" while Cadillac television station WWTW televises as from "the highest point in Michigan's lower peninsula." This is one argument that Grayling can stay out of, but, no one can take away the fact that Grayling is really the "water-shed" city of the Michigan lower peninsula. Water from Lake Margrethe just west of town flows westward to Lake Michigan via Portage Creek and the Manistee River. Just a scant half mile from the sandy beaches of Lake Margrethe, the waters of a lagoon in the Grayling Winter Sports Park formed from springs flows eastward to Lake Huron via the mighty AuSable River.

Speaking of broadcasts, a week or so ago, we had occasion to travel to the State Capitol. The morning we were to leave, radio weather broadcasts warned of extreme slippery highways throughout the entire state. We were almost convinced not to start out, but, did anyway. The entire distance between Grayling and Lansing found dry, bare pavement with the exceptions of a very few stretches of from 5 to 10 feet in length. It is necessary for such stations to rely upon information given them, we suppose, but we wonder how many people cancelled plans for trips that day because of a faulty forecast.

To borrow from an old quotation and give it a little twist: "When the Grayling Winter Sports Carnival is past, can Spring be far behind?"

Grayling Lumberjacks defeated Clare Merchants on home floor 41 to 15. As a preliminary, "Dago" Laurant's "Flying Chiefs" from the Kerry & Hanson Lumber Co. showed the "Main Street Go-Getters" up by winning 16 to 9. Blaine of the K-H outfit accounted for 10 of their 16 points. Other "chiefs" besides "Dago" and Blaine were Failing, Hunter, Wyllie, McEvers, Larson, Pankow and LaGrow. The "Go-Getters" were Stephan, Hewitt, Matson, Hanson Tetu, Smock, Peterson and Dorot, Referee Tony Nelson.

One year ago Sat., Feb. 21st a number of our local golf enthusiasts played on the local course. It was like a summer's day with snow all gone. This February has been a mild, pleasant month. Snow is almost gone and pavements are bare.

Miss Marie Hanson entertained a few ladies at her home Tuesday afternoon.

Several young ladies from the various business places about town had planned a sleighing party, but owing to the scarcity of snow, a large truck was the conveyance. Dressed in sport togs they were taken to the home of Mr. and Mrs. Theodore Leslie in Beaver Creek, where a chicken prepared by the latter was the bill of fare.

Marius Hanson, employed at Mac & Cidley's and Ronnow Hanson, clerk at O. Sorenson & Sons are both detained at home by illness.

Ernest Borchers and Otto Failing are both driving new Chevrolet coaches.

Post Commander Alfred Hanson, Earl Hewitt, Harry Hemmingson, Neil Matthews and Wilfred

"Joe" Kraus returned last week from Montana and the great Northwest, looking as though he had thoroughly enjoyed the trip.

Following is the output of the Michelson & Hanson Lumber Co. at Lewiston for the past year: 1,520,857 feet of pine, 9,321,233 feet of hemlock, and 9,505,198 feet of hardwood lumber; also 4,535,800 pieces of lath and 5,239,000 shingles. The Company is getting in a stock of about 15,000,000 feet of logs for the current year.

Monday morning 20 degrees below zero. Tuesday morning 38 above and a drizzling rain. There is change for you, good for La-Grippe tonsillitis. Guaranteed to continue the little epidemic we have been having.

to the home of Mr. and Mrs. Andrew Mortenson in Beaver Creek arriving about 10:30. There was a fine dinner and an afternoon of games.

The trustees of the estate of the late David Ward propose to put upon the market, 70,000 acres of timber land in Crawford, Otsego, Kalkaska and Antrim counties for

the purpose of closing up the affairs of the estate. It is estimated that there is some 800,000,000 feet of standing timber on this land. Four camps are being operated in the vicinity of Deward where the big mill owned by the estate is located where 10,000,000 feet of pine and the same quantity of hardwood are being cut. Two parcels of land on which lumber-

ing operations are in progress are reserved by the estate.

Time is passing and so are the first settlers in this county. Talking of the early days with Judge Batterman and James Duryee, who located here in 1878, we could only recall an even dozen who were here at that time and three of these were but kids.

## Try the POWER of the CENTURY

It's the buy of the year for folks who want  
high performance at a low price

At the wheel of Buick's 200-hp CENTURY, something tremendously exciting is waiting to happen to you. It's the wondrous thrill of commanding a phenomenal performer that's yours for hundreds of dollars less than the middle-price cars.

We can give you here just a quick summary of the sensational facts about this spectacular automobile:

It has the highest horsepower ever placed

in a standard-production Buick—and the highest compression ratio, 8.5 to 1.

It has the highest power-to-weight ratio of any Buick ever built—with a cyclonic 200-hp V8 engine driving with unbelievable ease the nimble weight of this sizable car—3852 pounds, for the CENTURY shown here, as it comes off the assembly line.

It carries a price that puts it substantially below the highly popular Buick SUPER—a price that buys more horsepower

per dollar in a CENTURY than you get in any other automobile in America.

If it's true high performance you want, at a truly modest price, come in and meet the CENTURY close up—behind its wheel. You'll find it the buy of the year, hands down.

Cathie puts the finishing touches on a painting of her mother, actress Kim Hunter, and her stepfather, actor Robert Emmett, watch. Below, Miss Hunter discusses from her own experience how to help a child make a happy adjustment to a family situation involving a new step-parent.

## Speaking of Families

By BETH JUDSON

You know about Kim Hunter, of course—the actress who won fame, and an Oscar, for her magnificent portrayal of Stella in "A Streetcar Named Desire."

Quite a person, Kim Hunter is. Natural... casual... unspoiled. And in her role of mother, she scores again.

Some parents, for instance, find it quite a problem when they re-marry and bring a step-parent into the home. It's only natural that a child should view the new-comer as a threat to her own favored position. Yet this able young woman has managed to work out a happy adjustment for herself, her little daughter, Cathie, and her husband, Robert Emmett, the actor.

It was shortly after Kim and Bob married that the seeds of Cathie's insecurity and jealousy began to sprout.

But what to do about it? Said Kim, "Let's go all out in helping Cathie feel important to us both. Let's show her in every way we can that she's not just a sort of fifth wheel."

From then on, whatever they did—whether a Sunday trip to Central Park or just game-playing at home—they made Cathie feel it was so much more fun when they could all enjoy things together.

And... they made sacrifices.

## Bits O' Talk

Mr. and Mrs. Robert Holzman of Lansing spent the Winter Sports carnival weekend here visiting at the parental homes.

The "Busy Bees" home Extension group met at the home of Mrs. Leroy Papendick on Feb. 8th. Mrs. Sam Collier leader taught the ladies the art of making baskets. The next meeting will be at the home of Mrs. William LaChapelle, when "Oven Dinners" will be discussed.

Grayling Chapter O.E.S. held a card party at the Masonic Temple Wednesday of last week. For Canasta, Mrs. Carl E. Johnson and Mrs. U. Harley Russell, held high and low scores respectively. Mrs. Grace Andrews and Hurl Decker won high scores and Mrs. William Johnson and Carl E. Johnson, low for Pinochle, were prize winners. Serving on the various committees were: Mrs. Burton McWilliams, tables, cards and prizes; Mrs. Russell V. Wright, tickets; Mrs. Ac Leng, Mrs. Cleo Hinkle and Mrs. Leo Post all of Frederic, lunch. Mr. and Mrs. James McGee donated the prizes.

Mrs. Frank Mack of Gaylord, who on Wednesday of last week celebrated her 94th birthday, at one time was a resident of Grayling, and is remembered by neighbors and friends. Her picture appeared in several newspapers and she apparently is very spry for her age. She makes her home with her daughter Mrs. Walter Nelson in Gaylord and helps with some of the household duties.

William J. Heric returned Monday from Saginaw, after a week's visit at the home of his daughter, Mrs. Charles Duncan. The Duncan family accompanied him home and spent a couple of days.

Mrs. John Latuszek, Mrs. E. N. Darveau and Mrs. Patrick Bryson were Gaylord callers Tuesday of last week.

Mrs. Clayton Strachy and daughters Mrs. John Kucharek and Mrs. William Armstrong of Frederic were hostesses at a pink and blue shower recently to honor Mrs. Frederick Mingo. The party was held at the Legion hall and there were about 15 present. The guest of honor was showered with many beautiful gifts.

Mrs. Walter SanCarter enter-

tained her Bunco club at her home Thursday evening. Mrs. Otis Hunter, Mrs. Jonas Wikman and Mrs. Floyd SanCarter were the prize winners, in order of first, second and third high scores. Mrs. SanCarter also won the prize. The next meeting will be the home of Mrs. Charles Ba on March 4th.

## Handy and Easy "Sign Up"

Last month's safety drive was a big success—almost. Every one helped—the schools ran movies on safe driving, Rotary put up posters, and Handy and Easy Peters went out on their own.

The boys put up a big sign by the side of the highway. It said, "Slow down—the life you save may be your own." It was a good idea—after the police moved the sign back twelve feet.

In their enthusiasm Handy and Easy put it too close to the road—in fact, right on the shoulder curve on the highway. They made

driving unsafe by cutting off the view around the curve.

From where I sit, lots of people—even though they mean well—suffer from short-sightedness now and again. For instance, you can never see any further than their own preferences. They even go so far as to object to my choice of a glass of beer with supper. Shouldn't we always take the "long view"... and respect our neighbors' rights?

## S D A DORCAS SOCIETY NEWS

Members of the Grayling Seventh-day Adventist church recently totaled their 1933 welfare activities and found they had contributed \$509 worth in funds, materials and time. It was revealed by Elder L. W. Hyde. This is in addition to tithes and offerings within the church and contributions toward local drives within Crawford County.

"Much of the behind-the-scenes work was done by the Dorcas Welfare Society," Elder Hyde stated. "To the Dorcas ladies goes much of the credit for preparing and giving away 128 articles of clothing and 19 food baskets during the course of the year. They also stepped in and helped out in other ways; all of which meant work—477 hours if it, with 100 persons helped."

The society is part of a nationwide chain of welfare groups organized by the home missionary department of the Church. Mrs. Sarah Walz is the 1934 director of the local chapter.

The Church welcomes names of persons needing temporary relief, the pastor said. No religious requirements of any kind is placed on those helped. Anyone knowing of such persons is requested to get in touch with Mrs. Sarah Walz or phone 4866, Mrs. Helen Hyde. Also, anyone having clothing of which they would like to dispose, may like-wise, contact either of the above named ladies.

## YOUR MILK...

The prison population in Michigan is around 9,000 and on the increase. Most of these men are of twenty-five years of age and younger. This is a sad blow to society. Each one of these prisoners is somebody's child and yet when these children are born, they are all equal and good. Just how does all this change come about? We are far within the mark when we say that most of these boys come from broken homes and those that are loosely tied together. If the home life is not good and the parents often set a bad example before their children, the children being greater imitators of their parents see nothing wrong with following in the parents footsteps. And if they are allowed out at all hours of the night and fall in with bad company, this will lead to some short cut other than work. All of this is a forerunner to crime. Sometimes parents are too strict with their children and will not let them live as normal human beings. This only makes them weak and dissatisfied and when the day comes, they will not be able to stand on their own feet. If parents will guide their children as they should and make the grandest place on earth for them, we will have little crime. Let us not wait for the law to prevent crime, that will be too late. It is the duty of every community to provide a good and suitable place for the young people to meet and enjoy themselves. Yes, Crawford County produced milk is good. Buy it at Hunter's AuSable Dairy in Grayling.

Can you tell the 5 things  
**wrong** with this room?

It doesn't show in the picture but:

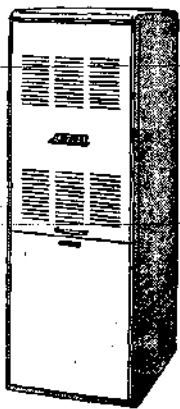

1. It's either too hot or too cold
2. There's no continuous air circulation
3. There are drafts
4. It's either muggy or dry as a bone
5. The air lacks freshness

If your home has these defects you can cure them by installing a new Lennox Perma-flo heating—or heating and cooling—system.

Lennox Perma-flo places an invisible curtain of conditioned air between the weather and you—stops cold at the outside walls, in front of doors and windows.

It also makes possible economical summer air conditioning because the same ducts which carry warm air in winter carry cool air into every room in summer.

Let us demonstrate the comfort you can enjoy with a Lennox Perma-flo system.
